TERMINAL DISCLAIMER BY ASSIGNEE

Cell Genesys, Inc. is the owner of the entire right, title and interest in the above-captioned application and in United States Applications 11/601,071, 11/977,902 and 11/977,533 (hereinafter "the applications") and U.S. Patents 6,551,587, 6,638,762 and 5,998,205 (hereinafter "the patents").

The undersigned, on behalf of Cell Genesys, Inc., hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-captioned application that would extend beyond the expiration date of the full statutory term of any of the patents or any patent(s) granted on the applications, including any patent term extensions, restorations or adjustments for any patent available under all

applicable statutes including 35 U.S.C. §§ 154 through 156 and 173, as shortened by any terminal disclaimer filed prior to the grant of the patents or the applications.

The undersigned, on behalf of Cell Genesys, Inc., also hereby agrees that any patent so granted on the above-captioned application shall be enforceable only for and during such period that the legal title to it and to the patents or any patent(s) granted on the applications shall be commonly owned. This agreement runs with any patent granted on the above-captioned application, and is binding upon the grantee, its successors or assigns.¹

In making the above disclaimer, the undersigned, on behalf of Cell Genesys, Inc., does not disclaim the terminal part of the full statutory term of any patent granted on the above-captioned application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of any of the patents or any patent(s) granted on the applications, in the event that any such patent expires for failure to pay a maintenance fee, is held unenforceable and/or invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 35 C.F.R. § 1.321, has all claims cancelled by a reexamination certificate, or its term is in any manner shortened prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

¹ It is applicants' and assignee's intention that if any change in the patent statutes changes the expiration date of any of the patents or on any patent(s) granted on the applications, or if any such patent is hereafter awarded patent term adjustment under 35 U.S.C. § 154(b), then the date beyond which the term of any patent to issue on this application is disclaimed shall change along with the expiration date of such patent.
